4.0	An order restricting the billeting of Soviet citizens and Army officials, based on a 2 January 1947 ruling of the SMA for Provi Saxony-Anhalt, was issued by the Halle military commander on 26 February and published by the Oberbürgermeister of that city on 11 March. Under this law, only Russians in possession of newly issued komendatura pay vouchers (Talons) may be granted billets. All earlier vouchers, which entitled their bearers to quarters i private homes, are cancelled. Observance of the order will be checked by the police and offenders are liable to a fine of 1,00 marks or two months in jail. It is believed in Halle that this measure has something to do with recent Army desertions.	n :
